

## **Participation categories, conditions and prices for DASIA 2018**

### **The DASIA conference is managed by EUROSPACE**

#### **1. Presentation of a paper**

30 minutes presentation of a topic of your choice including Q&A. Your proposal document shall be of 3 -5 pages to be available at Eurospace at the latest 31<sup>st</sup> of January 2018. Selection of presentations based on all incoming proposals will take place at the DASIA Program Board early March 2018 with immediate feedback to the proposers. Your paper will normally be presented in a session with 3 papers of similar topics. There are two parallel presentation tracks at DASIA. Exceptionally you may be asked to make your presentation in a panel session in plenum.

#### **2. Presentation of a "DASIA Open Panel" topic**

This is based on topics proposed by potential participants with associated short descriptions – one A4 or less - of their views. Proposals for topics with associated short description of the view must be available at Eurospace at the latest 31<sup>st</sup> of January 2018. The DASIA Program Board will early March select a minimum of two topics for the "DASIA Open Panel" and you will be informed immediately. You may be selected to present your view as part of the topic intro at the panel – one presentation of 10 minutes and 3 presentations of 4 minutes – or you can present your view at the ad hoc Q&A session following the intro.

### **3. Product Exhibition Stands**

You may present your company offerings at a an Exhibition Stand located just outside the conference rooms where coffee breaks also take place.
