

Table of contents – Volume 1

Global Series.....	8
Total Mass launched (tons) from 1957 to 2015 - HTGS	9
Number of Launch Events/Spacecraft launched from 1957 to 2015 - HTGS	10
Total Mass launched (tons) by Orbit from 1957 to 2015. - HTGS	11
Number of spacecraft launched by orbit from 1957 to 2015 - HTGS	12
Number of launch events by orbit from 1957 to 2015 - HTGS	13
Number of spacecraft launched by launch site region from 1957 to 2015 - HTGS.....	14
Total Mass annually launched (tons) by launch site region from 1957 to 2015 - HTGS	15
Number of launch events by launch site region from 1957 to 2015 - HTGS.....	16
Total Mass (tons) launched by Customer Region from 1957 to 2015 - HTGS.....	17
Number of spacecraft launched by Customer Region from 1957 to 2015 - HTGS	18
Total Launched Mass (tons) by spacecraft manufacturer regions from 1957 to 2015 - HTGS	19
Number of spacecraft launched by spacecraft manufacturer regions from 1957 to 2015 - HTGS.....	20
Total Launched Mass (tons) by Customer Markets Segments from 1957 to 2015 - HTGS	21
Number of spacecraft launched by Customer Markets Segments from 1957 to 2015 - HTGS.....	22
Number of spacecraft launched by the civil and military sector from 1957 to 2015 - HTGS.....	23
Total mass launched by the civil and military sector from 1957 to 2015 - HTGS	24
Launcher overview	25
Total Mass Launched annually (tons) by launcher mass class from 1957 to 2015 - HTLO	26
Number of spacecraft launched by launcher mass class from 1957 to 2015 - HTLO.....	27
Number of launch events by launcher mass class from 1957 to 2015 - HTLO.....	28
Total Mass launched by Prime contractor region from 1957 to 2015 - HTLO	29
Spacecraft overview	30
Number of spacecraft by spacecraft system categories from 1957 to 2015 - HTSO	31
Mass of spacecraft by spacecraft system categories from 1957 to 2015 - HTSO	32
Total launched mass by spacecraft system categories from 1957 to 2015 - HTSO	33
Number of spacecraft by spacecraft system categories from 1957 to 2015 - HTSO	34
Total mass launched by Mission category from 1957 to 2015 - HTSO	35
Number of spacecraft launched by Mission category from 1957 to 2015. - HTSO.....	36
Total launched mass by spacecraft suppliers region from 1957 to 2015 - HTSO.....	37
Number of spacecraft annually launched by spacecraft suppliers region from 1957 to 2015 - HTSO	38
Graphs code – All volumes.....	39

Table of contents – Volume 2

Launcher trends (1996-2015).....	11
Global launch activity (1996-2015) number of launch events per year - RLT	12
Global launch activity (1996-2015) total launched mass (tons) - RLT	13
Global launch activity (1996-2015) success and failure (numbers) and failure rate (%) - RLT.....	14
Global launch activity (1996-2015) success and failure by launch site region - RLT	15
Global launch activity (1996-2015) success and failure by launch site region - measured in launched mass (tons) - RLT	16
Global launch activity (1996-2015) success and failure by launcher class (number of launch events) - RLT.....	17
USA launch activity (1996-2015) success and failure by launcher family (in number of launches) - RLT	18
Ex-USSR launch activity (1996-2015) success and failure by launcher family (in number of launches) - RLT.....	19
Europe, China, Japan, India launch activity (1996-2015) success and failure by launcher family (in number of launches) - RLT	20
Main launcher families worldwide (1996-2015) success and failure by launcher family (in number of launches) - RLT	21
Global launch activity (1996-2015) launches by launch site region (in number) - RLT	22
Global launch activity (1996-2015) mass launched by launch site region (tons) - RLT	23
Global launch activity (1996-2015) launches by launch site (in number) - RLT	24
Global launch activity (1996-2015) launched mass by launch site - RLT.....	25
Global launch activity (1996-2015) Average mass by launch per launch site (tons) - RLT	26
Global launch activity (1996-2015) launched mass by destination orbit (tons) - RLT	27
Global launch activity in 2015 - launches by destination orbit - RLT	28
Global launch activity in 2015 - launched mass by destination orbit (tons) - RLT	29
Global launch activity (1996-2015) Average launched mass per launch by destination orbit (tons) - RLT.....	30
Global launch activity (1996-2015) launches by launch site and by destination orbit - RLT.....	31
Global launch activity (1996-2015) launches by launch site region - RLT	32
Global launch activity (1996-2015) launches by launch site region - RLT	33
Graphs code – All volumes.....	34

Table of contents – Volume 3

Overview – System category	13
Total number of spacecraft launched by system category (1996-2015) - STO	14
Total mass (tons) of spacecraft launched by system category (1996-2015) - STO.....	15
Total mass (tons) of spacecraft launched by system category [human activities excluded] (1996-2015) - STO	16
Total number of spacecraft based on consolidated design (1996-2015) - STO.....	17
Total mass of spacecraft based on consolidated design (1996-2015) - STO	18
Total number of spacecraft based on stable bus design launched by system category (1996-2015) - STO .	19
Total mass of spacecraft based on stable bus design launched by system category (1996-2015) - STO	20
Total mass (tons) of spacecraft based on stable bus design launched by launch site region (1996-2015) - STO	21
Total number of spacecraft based on stable bus design launched by bus supplier region (1996-2015) - STO	22
Total mass (tons) of spacecraft based on stable bus design launched by bus supplier region (1996-2015) - STO	23
Total number of spacecraft based on stable bus design launched by system customer region (1996-2015) - STO	24
Total mass (tons) of spacecraft based on stable bus design launched by system customer region (1996-2015) - STO	25
Total number of spacecraft based on stable bus design launched by system customer type (1996-2015) - STO	26
Total mass (tons) of spacecraft based on stable bus design launched by system customer type (1996-2015) - STO	27
Total number of spacecraft based on stable bus design launched by system customer ownership (1996-2015) - STO	28
Total mass (tons) of spacecraft based on stable bus design launched by system customer ownership (1996-2015) - STO	29
Total number of spacecraft based on stable bus design launched by orbit category (1996-2015) - STO	30
Total mass (tons) of spacecraft based on stable bus design launched by orbit category (1996-2015) - STO	31
Series-Overview	32
Total number of series spacecraft launched (1996-2015) - STSO	33
Total mass (tons) of series spacecraft launched (1996-2015) - STSO.....	34
Total number of series spacecraft launched by mass category (1996-2015) - STSO.....	35
Total share of series spacecraft launched by mission category (1996-2015) - STSO	36
Total share of series spacecraft mass (tons) launched by mission category (1996-2015) - STSO	37
Series-Remote Sensing Spacecraft	38
Total number of Remote sensing series spacecraft launched (1996-2015) - STSRS	39
Total mass (tons) of Remote sensing series spacecraft launched (1996-2015) - STSRS.....	40
Total mass (tons) of Remote sensing series spacecraft launched (1996-2015) - STSRS.....	41
Number of Remote sensing series spacecraft launched by mission type (1996-2015) - STSRS	42
Total mass (tons) of Remote sensing series spacecraft launched by mission type (1996-2015) - STSRS.....	43
Total number of Remote sensing series spacecraft launched by launch site region (1996-2015) - STSRS ...	44

Electronic version – Single-user license - Copyright by Eurospace 2011-2017

Total mass (tons) of Remote sensing series spacecraft launched by launch site region (1996-2015) - STSRS	45
Number of Remote sensing series spacecraft launched by mission type and by launch region (1996-2015) - STSRS	46
Total mass (tons) of Remote sensing series spacecraft launched by mission type and by launch region (1996-2015) - STSRS	47
Total number of Remote sensing series spacecraft launched by main launchers (1996-2015) - STSRS	48
Total number of Remote sensing series spacecraft launched by main launchers, 1996 - 2005 - STSRS	49
Total number of Remote sensing series spacecraft launched by main launchers, 2006 - 2015 - STSRS	50
Total mass (tons) of Remote sensing series spacecraft launched by main launchers (1996-2015) - STSRS	51
Total mass (tons) of Remote sensing series spacecraft launched by main launchers, 1996 - 2005 - STSRS	52
Total mass (tons) of Remote sensing series spacecraft launched by main launchers, 2006 - 2015 - STSRS	53
Total number of Remote sensing series spacecraft launched by orbit category (1996-2015) - STSRS	54
Total mass (tons) of Remote sensing series spacecraft launched by orbit category (1996-2015) - STSRS	55
Total number of Remote sensing series spacecraft launched by bus supplier region (1996-2015) - STSRS	56
Total mass (tons) of Remote sensing series spacecraft launched by bus supplier region (1996-2015) - STSRS	57
Total number of Remote sensing series spacecraft launched by customer region (1996-2015) - STSRS	58
Total mass (tons) of Remote sensing series spacecraft launched by customer region (1996-2015) - STSRS	59
Total number of Remote sensing series spacecraft launched by customer region and by mission type (1996-2015) - STSRS	60
Total mass (tons) of Remote sensing series spacecraft launched by customer region and by mission type (1996-2015) - STSRS	61
Total mass (tons) of Remote sensing series spacecraft launched by customer region (1996-2015) - STSRS	62
Share of regional demand for Remote sensing series spacecraft launched by bus supplier region (1996-2015) - STSRS	63
Share of the mass (tons) of regional demand for Remote sensing series spacecraft launched by bus supplier region (1996-2015) - STSRS	64
Total number of Remote sensing series spacecraft launched by EO series spacecraft main bus family (1996-2015) - STSRS	65
Total mass (tons) of Remote sensing series spacecraft launched by EO series spacecraft main bus family (1996-2015) - STSRS	66
Constellation	67
Total number of constellation spacecraft launched (1996-2015) - STSC	68
Total mass (tons) of constellation spacecraft launched (1996-2015) - STSC	69
Total number of constellation spacecraft launched by launch site region (1996-2015) - STSC	70
Total mass (tons) of constellation spacecraft launched by launch site region (1996-2015) - STSC	71
Total number of constellation spacecraft launched by main launchers (1996-2015) - STSC	72
Total number of constellation spacecraft launched by main launchers, 1996 - 2005 - STSC	73
Total number of constellation spacecraft launched by main launchers, 2006 - 2015 - STSC	74
Total mass (tons) of constellation spacecraft launched by main launchers (1996-2015) - STSC	75
Total mass (tons) of constellation spacecraft launched by main launchers, 1996 - 2005 - STSC	76
Total mass (tons) of constellation spacecraft launched by main launchers, 2006 - 2015 - STSC	77
Share of constellation spacecraft launched by spacecraft mass categories (1996-2015) - STSC	78

Electronic version – Single-user license - Copyright by Eurospace 2011-2017

Share of constellation spacecraft mass (tons) launched by spacecraft mass categories (1996-2015) - STSC	79
Total number of constellation spacecraft launched by orbit category (1996-2015) - STSC	80
Total mass (tons) of constellation spacecraft launched by orbit category (1996-2015) - STSC	81
Total number of constellation spacecraft launched by mission category (1996-2015) - STSC	82
Total mass (tons) of constellation spacecraft launched by mission category (1996-2015) - STSC	83
Total number of constellation spacecraft launched by bus supplier region (1996-2015) - STSC	84
Total mass (tons) of constellation spacecraft launched by bus supplier region (1996-2015) - STSC	85
Total number of constellation spacecraft launched by customer region (1996-2015) - STSC	86
Total mass (tons) of constellation spacecraft launched by customer region (1996-2015) - STSC	87
Share of regional demand for constellation spacecraft launched by bus supplier region (1996-2015) - STSC	88
Share of the mass (tons) of regional demand for constellation spacecraft launched by bus supplier region (1996-2015) - STSC	89
Dedicated system	90
Total number of dedicated system launched (1996-2015) - STDS	91
Total mass (tons) of dedicated system launched (1996-2015) - STDS	92
Total number of dedicated system launched by launch site region (1996-2015) - STDS	93
Total mass (tons) of dedicated system launched by launch site region (1996-2015) - STDS	94
Total number of dedicated system launched by main launchers (1996-2015) - STDS	95
Total number of dedicated system launched by main launchers, 1996 - 2005 - STDS	96
Total number of dedicated system launched by main launchers, 2006 - 2015 - STDS	97
Total mass (tons) of dedicated system launched by main launchers (1996-2015) - STDS	98
Total mass (tons) of dedicated system launched by main launchers, 1996 - 2005 - STDS	99
Total mass (tons) of dedicated system launched by main launchers, 2006 - 2015 - STDS	100
Total number of dedicated system launched by orbit category (1996-2015) - STDS	101
Total mass (tons) of dedicated system launched by orbit category (1996-2015) - STDS	102
Total number of dedicated system launched by mission category (1996-2015) - STDS	103
Total mass (tons) of dedicated system launched by mission category (1996-2015) - STDS	104
Total number of dedicated system launched by bus supplier region (1996-2015) - STDS	105
Total mass (tons) of dedicated system launched by bus supplier region (1996-2015) - STDS	106
Total number of dedicated system launched by customer region (1996-2015) - STDS	107
Total mass (tons) of dedicated system launched by customer region (1996-2015) - STDS	108
Share of regional demand for dedicated system launched by bus supplier region (1996-2015) - STDS	109
Nano systems	110
Total number of Nano systems launched (1996-2015) - STNS	111
Total mass (kg) of nano systems launched (1996-2015) - STNS	112
Total number of nano systems launched by launch site region (1996-2015) - STNS	113
Total number of nano systems launched by main launchers (1996-2015) - STNS	114
Total number of nano systems launched by main launchers, 1996 - 2005 - STNS	115
Total number of nano systems launched by main launchers, 2006 - 2015 - STNS	116
Total mass (kilograms) of nano systems launched by main launchers (1996-2015) - STNS	117

Electronic version – Single-user license - Copyright by Eurospace 2011-2017

Total mass (kilograms) of nano systems launched by main launchers, 1996 - 2005 - STNS	118
Total mass (kilograms) of nano systems launched by main launchers, 2006 - 2015 - STNS	119
Share of nano systems launched by spacecraft mass categories (1996-2015) - STNS	120
Share of nano systems mass (kg) launched by spacecraft mass categories (1996-2015) - STNS	121
Total number of nano systems launched by orbit category (1996-2015) - STNS	122
Total mass (kilograms) of nano systems launched by orbit category (1996-2015) - STNS.....	123
Total number of nano systems launched by mission category (1996-2015) - STNS	124
Total mass (kilograms) of nano systems launched by mission category (1996-2015) - STNS	125
Total number of nano systems launched by bus supplier region (1996-2015) - STNS.....	126
Total mass (kilograms) of nano systems spacecraft launched by bus supplier region (1996-2015) - STNS	127
Total number of nano systems launched by customer region (1996-2015) - STNS	128
Total mass (kilograms) of nano systems launched by customer region (1996-2015) - STNS.....	129
Share of regional demand for nano systems launched by bus supplier region (1996-2015) - STNS.....	130
Share of the mass (kilograms) of regional demand for nano systems launched by bus supplier region (1996-2015) - STNS.....	131
Total number of nano systems launched by nano systems main bus family (1996-2015) - STNS	132
Total mass (tons) of nano systems launched by nano systems main bus family (1996-2015) - STNS.....	133
Nano systems-CubeSats	134
Total number of CubeSats launched (1996-2015) - STNC	135
Total mass (kilograms) of CubeSats launched (1996-2015) - STNC.....	136
Total number of CubeSats launched by launch site region (1996-2015) - STNC.....	137
Total number of CubeSats launched by main launchers (1996-2015) - STNC.....	138
Total number of CubeSats launched by main launchers, 1996 - 2005 - STNC	139
Total number of CubeSats launched by main launchers, 2006 - 2015 - STNC	140
Total mass (kilograms) of CubeSats launched by main launchers (1996-2015) - STNC.....	141
Total mass (kilograms) of CubeSats launched by main launchers, 1996 - 2005 - STNC	142
Total mass (kilograms) of CubeSats launched by main launchers, 2006 - 2015 - STNC	143
Total number of CubeSats launched by orbit category (1996-2015) - STNC.....	144
Total mass (kilograms) of CubeSats launched by orbit category (1996-2015) - STNC.....	145
Total number of CubeSats launched by mission category (1996-2015) - STNC	146
Total mass (kilograms) of CubeSats launched by mission category (1996-2015) - STNC.....	147
Total number of CubeSats launched by bus supplier region (1996-2015) - STNC.....	148
Total mass (kilograms) of CubeSats spacecraft launched by bus supplier region (1996-2015) - STNC.....	149
Total number of CubeSats launched by customer region (1996-2015) - STNC	150
Total mass (kilograms) of CubeSats launched by customer region (1996-2015) - STNC.....	151
Share of regional demand for CubeSats launched by bus supplier region (1996-2015) - STNC.....	152
Share of the mass (kilograms) of regional demand for CubeSats launched by bus supplier region (1996-2015) - STNC.....	153
Exploration	154
Total number of exploration system launched (1996-2015) - STE	155
Total mass (tons) of exploration system launched (1996-2015) - STE	156
Total number of exploration system launched by launch site region (1996-2015) - STE.....	157

Overview	11
Spacecraft distribution by market segment (1996-2015) - MSO	12
Spacecraft mass (tons) by market segment (1996-2015) - MSO.....	13
Spacecraft mass (tons) by market segment (HSF only, 1996-2015) - MSO.....	14
Spacecraft mass (tons) by market segment (HSF excl. 1996-2015) - MSO	15
Spacecraft distribution by manufacturer region (1996-2015) - MSO	16
Spacecraft mass (tons) by manufacturer region (HSF included, 1996-2015) - MSO	17
Spacecraft mass (tons) by manufacturer region (HSF excluded, 1996-2015) - MSO	18
Spacecraft distribution by customer region (1996-2015) - MSO	19
Spacecraft mass (tons) by customer region (HSF included, 1996-2015) - MSO.....	20
Spacecraft mass (tons) by customer region (HSF excluded, 1996-2015) - MSO	21
Civil Institutional.....	22
Civil institutional spacecraft distribution by customer nature HSF included (1996-2015) - MSCi	23
Civil institutional spacecraft mass (tons) by customer nature HSF included (1996-2015) - MSCi	24
Civil institutional spacecraft distribution by customer region HSF included (1996-2015) - MSCi.....	25
Civil institutional spacecraft mass (tons) by customer region, HSF included (1996-2015) - MSCi.....	26
Civil institutional spacecraft mass (tons) by customer region, HSF excluded (1996-2015) - MSCi	27
Civil institutional spacecraft: mission overview (1996-2015) - MSCi	28
Civil institutional spacecraft mass (tons) by missions, HSF included (1996-2015) - MSCi	29
Total mass launched (tons) by missions, HSF excluded (1996-2015) - MSCi	30
Human spaceflight mass (tons) / civil institutional space activities (1996-2015) - MSCi	31
Civil institutional spacecraft: remote sensing missions (1996-2015) - MSCi.....	32
Civil institutional spacecraft mass (tons): remote sensing missions (1996-2015) - MSCi	33
Civil institutional spacecraft: navigation/localisation missions (1996-2015) - MSCi.....	34
Civil institutional spacecraft mass (tons): navigation/localisation missions (1996-2015) - MSCi	35
Civil institutional spacecraft: science missions (1996-2015) - MSCi.....	36
Civil institutional spacecraft mass (tons): science missions (1996-2015) - MSCi	37
Civil institutional spacecraft: technology tests / IOD missions (1996-2015) - MSCi	38
Civil institutional spacecraft mass (tons): technology tests / IOD missions (1996-2015) - MSCi	39
Human spaceflight spacecraft: distribution by missions (1996-2015) - MSCi.....	40
Human spaceflight spacecraft mass (tons) by mission (1996-2015) - MSCi.....	41
Human spaceflight spacecraft: distribution by launcher version (1996-2015) - MSCi.....	42
Human spaceflight spacecraft mass (tons) by launcher version (1996-2015) - MSCi	43
Civil institutional spacecraft by customer country and mission (1996-2015) - MSCi.....	44
Civil institutional spacecraft mass (tons) by customer country and mission (HSF included, 1996-2015) - MSCi.....	45
Civil institutional spacecraft mass (tons) by customer country and mission (HSF excluded, 1996-2015) - MSCi.....	46

GEO Telecom market	12
Total number of Civil GEO Satcoms launched (1996-2015) - SFGEO	13
Total Civil GEO Satcoms mass (tons) launched (1996-2015) - SFGEO	14
Focus on maximum, minimum and average mass (tons) of Civil GEO Satcom launched by year (1996-2015) - SFGEO	15
Total number of Civil GEO Satcoms launched by launch site region (1996-2015) - SFGEO	16
Total Civil GEO Satcoms mass (tons) launched by launch site region (1996-2015) - SFGEO	17
Total number of Civil GEO Satcoms launched by most successful commercial launcher family (1996-2015) - SFGEO	18
Total Civil GEO Satcoms mass (tons) launched by commercial launcher family (1996-2015) - SFGEO	19
Total number of Civil GEO Satcoms launched by commercial launcher family (1996-2015) - SFGEO	20
Total number of Civil GEO Satcoms launched by commercial launcher family (1996-2005) - SFGEO	21
Total number of Civil GEO Satcoms launched by commercial launcher family (2006-2015) - SFGEO	22
Total Civil GEO Satcoms mass (tons) launched by commercial launcher family (1996-2015) - SFGEO	23
Total Civil GEO Satcoms mass (tons) launched by commercial launcher family (1996-2005) - SFGEO	24
Total Civil GEO Satcoms mass (tons) launched by commercial launcher family (2006-2015) - SFGEO	25
Operational civil GEO Satcoms by customer/manufacturer country and initial orbital position in 2015 - SFGEO	26
Commercial GEO bandwidth capacity (in GHz) launched per year and per band (1996-2015) [HTS excluded] - SFGEO	27
Total number of transponders on Civil GEO Satcoms launched per year and per band (1996-2015) [HTS excluded] - SFGEO	28
Number of GEO Satcom launched by active ACDS propulsion system (1996-2015) [all electrical spacecraft and passive ADCS systems excluded] - SFGEO	29
Total mass (tons) of GEO Satcom launched by active ACDS propulsion system (1996-2015) [all electrical spacecraft and passive ADCS systems excluded] - SFGEO	30
Distribution of Civil GEO Satcoms by active ADCS propulsion types and by mass categories (1996-2015) [Electrical spacecraft and passive ADCS systems excluded] - SFGEO	31
Distribution of Civil GEO Satcoms by ADCS propulsion types and by mass categories (1996 – 2005) [Electrical spacecraft and passive ADCS systems excluded] - SFGEO	32
Distribution of Civil GEO Satcoms by ADCS propulsion types and by mass categories (2006 – 2015) [Electrical spacecraft and passive ADCS systems excluded] - SFGEO	33
Average number of transponder by Civil GEO Satcoms mass categories and by active ACDS propulsion system [all electrical spacecraft excluded] (1996-2015) - SFGEO	34
Total number of Civil GEO Satcoms launched by main bus supplier (1996-2015) - SFGEO	35
Total number of Civil GEO Satcoms launched by main bus supplier (1996-2005) - SFGEO	36
Total number of Civil GEO Satcoms launched by main bus supplier (2006-2015) - SFGEO	37
Total Civil GEO Satcoms mass (tons) launched by main bus supplier (1996-2015) - SFGEO	38
Total Civil GEO Satcoms mass launched (tons) by main bus supplier (1996-2005) - SFGEO	39
Total Civil GEO Satcoms mass launched (tons) by main bus supplier (2006-2015) - SFGEO	40
Total number of Civil GEO Satcoms launched by main bus family (1996-2015) - SFGEO	41
Total number of Civil GEO Satcoms launched by main bus family (1996-2005) - SFGEO	42
Total number of Civil GEO Satcoms launched by main bus family (2006-2015) - SFGEO	43

Total Civil GEO Satcoms mass (tons) launched by main bus family (1996-2015) - SFGE0	44
Total Civil GEO Satcoms mass (tons) launched by main bus family (1996-2005) - SFGE0	45
Total Civil GEO Satcoms mass (tons) launched by main bus family (2006-2015) - SFGE0	46
Total GEO Satcoms mass (tons) launched by system customer region (1996-2015) - SFGE0	47
Distribution of Civil GEO Satcom supply region by demand region (1996-2015) - SFGE0	48
Distribution of Civil GEO Satcom supply region by demand region (1996-2005) - SFGE0	49
Distribution of Civil GEO Satcom supply region by demand region (2006-2015) - SFGE0	50
Distribution of Civil GEO Satcoms mass (tons) supply region by demand region (1996-2015) - SFGE0	51
Distribution of Civil GEO Satcoms mass (tons) supply region by demand region (1996-2005) - SFGE0	52
Distribution of Civil GEO Satcoms mass (tons) supply region by demand region (2006-2015) - SFGE0	53
Civil Satcoms order intakes by supplier region (2001-2015) - SFGE0	54
Operational civil GEO SATCOMS by customer/manufacturer country and initial orbital position in 2016 - SFGeo	55
GNSS systems	56
GNSS programs global overview (1996-2015) - SFG.....	57
GNSS programs mass (tons) global overview (1996-2015) - SFG	58
GNSS programs: focus on the GPS (1996-2015) - SFG.....	59
GNSS programs: focus on GPS mass (tons, 1996-2015) - SFG	60
GNSS programs: focus on Glonass (1996-2015) - SFG.....	61
GNSS programs: focus on Glonass mass (tons, 1996-2015) - SFG.....	62
GNSS programs: focus on Beidou (1996-2015) - SFG	63
GNSS programs: focus on Beidou mass (tons, 1996-2015) - SFG	64
GNSS programs: focus on Galileo (1996-2015) - SFG	65
GNSS programs: focus on Galileo mass (tons, 1996-2015) - GSFG.....	66

Public Institutional Actor
Share of number of spacecraft launched by the top 7 institutional actors (1996-2015) vs the others - KAPi	12
Share of mass launched by the top 7 institutional actors (1996-2015) vs the others - KAPi	13
8 most important customers by percentage of mass launched - KAPi.....	14
8 most important customers by number of Spacecrafts launched - KAPi.....	15
8 most important customers by mass launched - KAPi.....	16
CNSA share in the total launched mass - KAPi	17
Number of spacecraft launched by CNSA and others - KAPi.....	18
Mass launched by CNSA and others - KAPi	19
Mass launched by CNSA by mission category - KAPi.....	20
Mass launched by CNSA by orbit category - KAPi	21
Mass launched by CNSA by system category - KAPi.....	22
Mass launched by CNSA by type of procurement - KAPi.....	23
ESA share in the total launched mass - KAPi	24
Number of spacecraft launched by ESA and others - KAPi.....	25
Mass launched by ESA and others - KAPi	26
Mass launched by ESA by mission category - KAPi.....	27
Mass launched by ESA by orbit category - KAPi	28
Mass launched by ESA by system category - KAPi.....	29
Mass launched by ESA by type of procurement - KAPi	30
ISRO share in the total launched mass - KAPi.....	31
Number of spacecraft launched by ISRO and others - KAPi.....	32
Mass launched by ISRO and others - KAPi.....	33
Mass launched by ISRO by mission category - KAPi	34
Mass launched by ISRO by orbit category - KAPi.....	35
Mass launched by ISRO by system category - KAPi.....	36
Mass launched by ISRO by type of procurement - KAPi.....	37
JaXa share in the total launched mass - KAPi.....	38
Number of spacecraft launched by JaXa and others - KAPi	39
Mass launched by JaXa and others - KAPi	40
Mass launched by JaXa by mission category - KAPi.....	41
Mass launched by JaXa by orbit category - KAPi	42
Mass launched by JaXa by system category - KAPi	43
Mass launched by JaXa by type of procurement - KAPi	44
NASA share in the total launched mass - KAPi	45
Number of spacecraft launched by NASA and others - KAPi.....	46
Mass launched by NASA and others - KAPi	47
Mass launched by NASA by mission category - KAPi.....	48
Mass launched by NASA by orbit category - KAPi	49

Mass launched by NASA by system category - KAPi.....	50
Mass launched by NASA by type of procurement - KAPi	51
Roskosmos share in the total launched mass - KAPi	52
Number of spacecraft launched by Roskosmos and others - KAPi.....	53
Mass launched by Roskosmos and others - KAPi	54
Mass launched by Roskosmos by mission category - KAPi.....	55
Mass launched by Roskosmos by orbit category - KAPi	56
Mass launched by Roskosmos by system category - KAPi.....	57
Mass launched by Roskosmos by type of procurement - KAPi	58
RSCC share in the total launched mass - KAPi	59
Number of spacecraft launched by RSCC and others - KAPi	60
Mass launched by RSCC and others - KAPi	61
Mass launched by RSCC by mission category - KAPi	62
Mass launched by RSCC by orbit category - KAPi	63
Mass launched by RSCC by system category - KAPi	64
Mass launched by RSCC by type of procurement - KAPi	65
Private Actors	
Share of the number of spacecrafts launched by the top 8 private actors (1996-2015) - KAPc	67
Share of the mass of spacecrafts launched by the top 8 private actors (1996-2015) - KAPc.....	68
Evolution over the last 20 years of the share of mass launched by the top 8 private actors per year (1996-2015) - KAPc	69
8 most important private customers by number of Spacecrafts launched - KAPc.....	70
Total mass (tons) launched by the private actors over the last two decades - KAPc.....	71
Total mass launched by the private actors over the last two decades - KAPc	72
Total mass launched by the private actors over the last two decades - KAPc	73
Total mass launched by the private actors over the last two decades - KAPc	74
DirectTV-KIPA	
Share of DirectTV on the total launched mass in private sector (1996-2015) - KAPc	75
Number of spacecraft launched by DirectTV in the private sector (1996-2015) - KAPc.....	76
Total mass (tons) launched by DirectTV in the private market (1996-2015) - KAPc.....	77
DirectTV total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc. 78	
DirectTV total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	79
DirectTV total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc.....	80
DirectTV total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc.....	81
Echostar- KIPA	
Echostar global share on the total launched mass (tons) in the private sector (1996-2015) - KAPc	82
Number of spacecraft launched by Echostar in the private sector (1996-2015) - KAPc	83
Total mass (tons) launched by DirectTV in the private market (1996-2015) - KAPc.....	84
Echostar total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc. 85	
Echostar total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	86
Echostar total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc	87
Echostar total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc.....	88

Eutelsat-KIPA.....
Share of Eutelsat on the total launched mass in private sector (1996-2015) - KAPc	89
Number of spacecraft launched by Eutelsat in the private sector (1996-2015) - KAPc	90
Total mass (tons) launched by Eutelsat in the private market (1996-2015) - KAPc	91
Eutelsat total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc ..	92
Eutelsat total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	93
Eutelsat total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc	94
Eutelsat total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc.....	95
Inmarsat-KIPA.....
Share of Inmarsat on the total launched mass in private sector (1996-2015) - KAPc.....	96
Number of spacecraft launched by Inmarsat in the private sector (1996-2015) - KAPc.....	97
Total mass (tons) launched by Inmarsat in the private market (1996-2015) - KAPc.....	98
Inmarsat total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc	99
Inmarsat total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	100
Inmarsat total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc	101
Inmarsat total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc	102
Intelsat-KIPA..... 1
Share of Intelast on the total launched mass in private sector (1996-2015) - KAPc	103
Number of spacecraft launched by Intelast in the private sector (1996-2015) - KAPc	104
Total mass (tons) launched by Inmarsat in the private market (1996-2015) - KAPc.....	105
Intelsat total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc	106
Intelsat total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	107
Intelsat total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc	108
Intelsat total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc	109
JSAT-KIPA 1
Share of JSAT on the total launched mass in private sector (1996-2015) - KAPc.....	110
Number of spacecraft launched by JSAT in the private sector (1996-2015) - KAPc.....	111
Total mass (tons) launched by JSAT in the private market (1996-2015) - KAPc.....	112
JSAT total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc	113
JSAT total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc.....	114
JSAT total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc	115
JSAT total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc	116
Loral Space & Communications-KIPA 1
Share of Loral Space & Communications on the total launched mass in private sector (1996-2015) - KAPc	117
Number of spacecraft launched by Loral Space & Communications in the private sector (1996-2015) - KAPc	118
Total mass (tons) launched by Loral Space & Communications in the private market (1996-2015) - KAPc119	
Loral Space & Communications total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc.....	120
Loral Space & Communications total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc	121
Loral Space & Communications total launched mass (tons) by spacecraft bus for the private sector (1996-	

2015) - KAPc	122
Loral Space & Communications total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc.....	123
SES Global-KIPA	1
Share of SES Global on the total launched mass in private sector (1996-2015) - KAPc	124
Number of spacecraft launched by SES Global in the private sector (1996-2015) - KAPc	125
Total mass (tons) launched by SES Global in the private market (1996-2015) - KAPc	126
SES Global total launched mass (tons) by procurement type in the private civil market (1996-2015) - KAPc	127
SES Global total launched mass (tons) by launcher families in the private sector (1996-2015) - KAPc	128
SES Global total launched mass (tons) by spacecraft bus for the private sector (1996-2015) - KAPc.....	129
SES Global total mass launched (tons) by mission category for the private sector (1996-2015) - KAPc.....	130

European launcher activity	11
Number of launch events from a European launch site by orbit category (1996-2015) - ELA.....	12
Total mass launched (tons) from a European launch site by orbit category (1996-2015) - ELA	13
Number of launch events from a European launch site by launcher series (1996-2015) - ELA	14
Total mass launched (tons) from a European launch site by launcher series (1996-2015) - ELA	15
Number of Ariane 5 launch events by orbit category (1996-2015) - ELA.....	16
Total mass launched (tons) by Ariane 5 by orbit category (1996-2015) - ELA	17
Number of Soyuz 2 launch events by orbit category (1996-2015) - ELA.....	18
Total mass launched (tons) with Soyuz 2 by orbit category (1996-2015) - ELA	19
Number of Vega launch event by orbit category (1996-2015) - ELA.....	20
Total mass launched (tons) with Vega by orbit category (1996-2015) - ELA	21
Number of launch events from a European launch site by customer region (1996-2015) - ELA.....	22
Total mass launched (tons) from a European launch site by customer region (1996-2015) - ELA	23
Share of spacecraft launched from a European launch site by origin of demand in number (1996-2010) - ELA	24
Share of spacecraft launched from a European launch site by origin of demand in number (2011-2015) - ELA	25
Share of spacecraft launched from a European launch site by origin of demand in number (1996-2015) - ELA	26
Share of spacecraft mass launched (tons) from a European launch site by origin of demand (1996-2010) - ELA	27
Share of spacecraft mass launched (tons) from a European launch site by origin of demand (2011-2015) - ELA	28
Share of spacecraft mass launched (tons) from a European launch site by origin of demand (1996-2015) - ELA	29
Share of Ariane 5 launch event from a European launch site by origin of demand in number (1996-2010) - ELA	30
Share of Ariane 5 launch event by origin of demand in number (2011-2015) - ELA.....	31
Share of Ariane 5 launch event from a European launch site by origin of demand in number (1996-2015) - ELA	32
Share of mass launched (tons) with Ariane 5 by origin of demand (1996-2010) - ELA.....	33
Share of mass launched (tons) with Ariane 5 by origin of demand (2011-2015) - ELA.....	34
Share of mass launched (tons) with Ariane 5 by origin of demand (1996-2015) - ELA.....	35
European Spacecraft Deliveries.....	36
Total mass (tons, left) of spacecraft manufactured by European suppliers and delivered to launch (1996-2015) - ESD.....	37
Number of spacecraft manufactured by European suppliers and delivered to launch by system category (1996-2015) - ESD	38
Total mass (tons) of spacecraft manufactured by European suppliers and delivered to launch by system category (1996-2015) - ESD	39
Number of spacecraft manufactured by European suppliers and delivered to launch by orbit category (1996-2015) - ESD ..	40
Total mass (tons) spacecraft manufactured by European suppliers and delivered to launch by orbit category (1996-2015) - ESD	41
Number of spacecraft manufactured by European suppliers and delivered to launch by launch site region (1996-2015) - ESD	42
Total spacecraft mass (tons) manufactured by European suppliers and delivered to launch by launch site region (1996-2010) - ESD	43
